

High-Quality SKILCRAFT® Products

Photo with caption: Heather Bogantinoff, Lighthouse Production Worker

The Lighthouse for the Blind, Inc. proudly produces SKILCRAFT® products that create and sustain rewarding careers for Americans who are blind. We have been manufacturing high-quality products for our customers since 1918 from our facility in Seattle, WA, and since then added manufacturing facilities in Spokane, WA, and Summerville, SC. Lighthouse products are sold nationwide to Federal Government and U.S. Military customers through the AbilityOne Program, as well as at our AbilityOne Base Supply Center retail stores.
